Dear Community Member,

The Ag Society manages our community arena and multipurpose events facility. Our board of volunteers is proud to continue our dedication to the community, enhancing the quality of life for residents by operating a facility that provides venue to all types of recreation, programming and community events. Our facility has been a corner stone in our community for over forty years. Every year, thousands of people come through the doors as participants or spectators in a variety of activities such as minor hockey, shiny & public skating, non-profit fundraisers, sports, community events, weddings, and safe youth gatherings.

The Wembley Ag Society is offering advertising/sponsorship opportunities in our facility and would like you to consider any of the following:
